SERIAL NO.	4
Dated 30th July 1920.	

To

The Chief Secretary

to the Government of His Highness

the Maharaja of Mysore, BANGALORE.

Respected Sir,

I beg to submit herewith a copy of my petition to the Food Controller and Director of Civil Supplies in Mysore in the matter of the grant of a permit for transport of rice for the usual daily consumption of the Sri Raghavendraswami Matt now encamped at Sri Mantralaya for Chaturmasam and I pray that early orders may be kindly sent to the Food Controller for the issue of the necessary permit for conveying the required quantity of the Matt rice from Nanjangud to Sri Mantralaya immediately as His Holiness the Swamigalavaru is put to much inconvenience and hardship for want of rice. The necessity for the conveyance of the rice produce of the Matt estates from Nanjangud to Sri Mantralaya has been explained at length in the accompanying copy of my petition. As the Food Controller insists for a formal authority from Government in this behalf I respectfully beg that early orders may kindly be issued to him for the grant of the permit asked for.

I beg to remain,
Respected Sir,
Your most obedient servant,

Agent of Sri Raghavendraswami Matt of
Nanjangud now in camp at Sri Mantralaya.

To

The Food Controller and

Director of Civil Supplies in Mysore,

B A N G A L O R E

Respected Sir²

On behalf of the Swamigalu of Sree Raghavendra Swami Mutt at Nanjangud, I beg to approach you as Agent of the Mutt with the following representation for favour of early orders.

His Holiness the Swamigalavaru is at present encamping at Mantralaya, a village in the Adoni Taluk with all retinue and paraphernalia on account of CHATURMASYA and could not consequently break camp therefrom for another two months to come. The required quantity of rice is not available at the place and what is available locally is ^{of} very inferior quality and sells at 2½ seers and rupee. On an average two pallas of rice are required for the usual daily consumption in His Holiness' camp - 125 seers for the Santarpane (feeding) purposes and the rest for distribution among the Mutt attendants.

The rice produce of the Mutt estates in Nanjangud Taluk has therefore to be sent to His Holiness' camp at Sri Mantralaya and made available for the purpose.

I therefore humbly pray that a permit for the transport of One Hundred and Fifty (150) pallas of Mutt rice from the Nanjangud Railway Station to Thungabhadra Station of the Madras Railway may kindly be granted to me immediately as much inconvenience and hardship is felt in His Holiness' Camp for want of rice. The camping station, viz, Sree Mantralaya is nine miles from the said Thungabhadra Railway
